The Annual Excellence Planner

About This Academic Calendar & Syllabus

Why We've Prepared This Calendar

This academic planner is designed as a roadmap for the entire session to ensure transparency, planning, and collaboration between school, students, and parents. Our goals are:

- 1.Academic Clarity:** To give you a clear month-wise view of the syllabus coverage so students can plan studies and revisions without last-minute pressure.
- 2.Holistic Development:** To highlight co-curricular activities, competitions, celebrations, and sports events so every child gets opportunities beyond textbooks.
- 3.Better Home-School Partnership:** To help parents stay aligned with what's happening in school and support their ward's learning journey effectively.

How Parents Can Use This Calendar

For Curriculum Support:

- Monthly Check-ins:** At the start of each month, review the syllabus planned. Encourage your child to read those chapters in advance.
- Revision Planning:** Use the test/exam dates as milestones. Help your child revise the portions mentioned for that month well before assessments.
- Homework Alignment:** Cross-check if homework given matches the topics listed for the month. This ensures your child is on track.

For Co-Curricular Growth:

- Mark the Dates:** Note down competitions, annual day, sports day, and celebration dates. Motivate your child to participate based on their interests.
- Preparation Time:** Activities are mentioned in advance so students get enough time to practice at home.
- Balance is Key:** Use this planner to help your child balance studies with sports, arts, and cultural events for all-round development.

Benefits for Students & Parents

- Students:** Reduces exam stress, builds consistency, encourages participation, and develops time management skills.
- Parents:** No surprises about tests or events, easier to plan family functions, better involvement in child's progress, and clear communication with school.

Note: *This is a guiding document. Actual classroom teaching pace may vary slightly based on student understanding. For day-to-day updates, the school diary remains the official communication channel.*

Important Guidelines for Parents & Students

1. Academic Schedule

- Dates for holidays, unit tests, PTMs, and term examinations are **tentative** and subject to change due to academic needs, weather, or government directives.
- Any revisions will be communicated through the school diary, WhatsApp groups, or the school notice board at least 3 days in advance.

2. Books & School Bag

- Students must bring books and notebooks **strictly as per the daily timetable** provided.
- Extra books, guides, or notebooks are **not permitted** to ensure light school bags and maintain classroom discipline.
- All books/notebooks should have a **name slip** and be covered with brown paper.

3. Attendance & Leave

- Minimum **75% attendance** is mandatory for appearing in final examinations as per CBSE norms.
- Leave must be informed in advance through a written application in the school diary. In case of medical leave exceeding 3 days, a medical certificate is required.

4. Uniform & Discipline

- Students should come in **proper school uniform** with polished shoes, trimmed nails, and neat haircut.
- Mobile phones, smartwatches, and expensive items are strictly prohibited. School will not be responsible for loss.

5. Syllabus & Assessment

- The syllabus given is indicative. Topics may be adjusted by subject teachers based on class progress.
- For any doubt regarding syllabus or homework, parents should contact the **class teacher only** during school hours.

6. Parent Cooperation

- Kindly check and sign the **school diary daily** for homework, remarks, and circulars.
- For meeting teachers or Principal, please take prior appointment through the school office.
